Day 1 Frankfurt am Main

Individual arrival in the banking city on the Main. Our cruise management will welcome you with a glass of sparkling wine. In the evening, your ship will leave the liveable city to set sail for Wertheim.

Day 2 Wertheim

Let yourself be welcomed by Franconian hospitality and enjoy Wertheim on a guided city tour “with a twist” (optional). Discover the medieval lanes and magnificent half-timbered houses of this romantic town situated on the rivers Main and Tauber. Along with its Franconian charm, Wertheim has a lot to offer: the historic market square, the Protestant Collegiate Church and the Angel Fountain are just a few of the sights you will find in this old city. On this walk, you will not only get your money's worth culturally but also culinary – two wines will be tasted.

Day 3 Würzburg

After breakfast, you have the opportunity to participate in a guided walking tour (optional) through Würzburg's historic Old Town. Not only the historic city hall and the Roman Saint Kilian's Cathedral but also the Gothic St Mary's Chapel with the sandstone sculptures by Tilman Riemenschneider are part of the program. After so many impressions, enjoy a relaxing afternoon on board.

Day 4 Schweinfurt

The next destination on your journey is Schweinfurt. The 1200-year-old former free imperial city offers visitors a lovingly restored Old Town. Join us on a culinary city walk (optional). Discover the quaint lanes, secluded corners, melt-in-your-mouth chocolate, and Franconian red wine. Get to know the city from its most beautiful side. In the afternoon, your journey continues in a relaxed way as you sail downstream to Bamberg.

Day 5 Bamberg

The city of Bamberg has retained the magic of its past down to the present day. On a guided walk with a storyteller (optional), discover how special Bamberg is. The architectural ensemble of the Old Town with its cathedral, churches and monasteries, bridges and narrow lanes, half-timbered houses and baroque façades will enchant you. The afternoon and evening you will spend on board enjoying the passing scenery.

Day 6 Nuremberg

In the morning, the MS SE-MANON will be moored in Nuremberg. Experience the medieval Old Town, which is well worth seeing, on a combined coach tour and guided walk (optional). On the walk, stroll through the narrow lanes and along the historic city walls. Naturally, the coach tour leads past the St. Lawrence Church, the 19-meter-high Schöner Brunnen fountain and the Hauptmarkt Square, the must-sees on the list. Afterwards, your journey continues towards Regensburg.

Day 7 Regensburg

Today learn about the history of Regensburg and listen to the many stories about the city on a guided walk (optional). Regensburg is known for its well-preserved medieval Old Town, which has been added to the UNESCO World Heritage list. The city is a real gem and offers a wealth of historic sights. At the conclusion of your beautiful journey, a Gala Dinner awaits you.

Day 8 Passau

After breakfast, disembarkation and individual journey home.

Minimum Number of Participants 80 participants within 21 days prior to departure

Optional Excursion Program We would be happy to send you an order form with our offer on excursions prior to departure. **The excursions will be held in German language. The excursions can only be booked in English language on request (depending on the excursion agency and the minimum number of participants).**

Itinerary and program are subject to change at any time. If, for example, due to low or high water levels or bad weather conditions a route cannot be sailed, the captain reserves the right to alter the itinerary for your safety. (No legal right shall arise in either situation). The same shall apply for repair or maintenance works on locks and bridges ordered by river or other local authorities with little or no advance. **Please note: On the Main - Danube Canal, due to low bridges, the sundeck will be closed for safety reasons.**

Important notice Please consider that on the one hand your ship is your "holiday hotel", on the other hand, however, it is an engine that has to run constantly – even at nighttime (this includes passing under bridges or through locks). We recommend that passengers that are particularly noise-sensitive, bring along earplugs. When passing through locks, a certain level of noise is inevitable. Please note: during low water conditions, it may become necessary to empty the pool to reduce the weight of the ship. As a result, the pool may not be accessible.

Travel documents EU-citizens (without special situations like dual citizenship, main residence abroad or a limited-validity passport) are required to have a valid passport or ID-card, not expiring within six (6) months of the return of your cruise. We kindly ask non-EU citizens, EU-nationals with multiple citizenship or anybody who has to respect special legal entry requirements for the country to visit, to inform about visa and entry documents at the competent embassy.

This trip is **not suitable for guests with reduced mobility.**

We recommend that you **take out a foreign travel health insurance** with repatriation coverage, an accident insurance, a luggage insurance and a travel cancellation insurance.
