The parking situation in Rotterdam is much more relaxed than in Amsterdam. However, you should make sure that you buy your parking ticket correctly and do not overrun the parking time. Due to the high parking fees, it is recommendable to travel by train.

To overrun the traffic ticket just for a few minutes can cost up to €60,00 in Netherlands. The parking machines in Rotterdam do not accept cash, it can only be paid by EC or credit card. No parking tickets are issued. The system works on the basis of the number plate. Therefore, parking is less stressful in parking garage, where the parking fee is calculated and paid on leaving. In most parking garage you can often park cheaper if you have reserved and paid in advance. There are several car parks near the mooring place. But the price is beyond € 20,00 per 24 hours.

Please drive via the promenade along the river bank to the desired river cruise ship. There the vehicle will be received by an employee.

Honest Words:

River cruises cannot be compared to ocean cruises. Due to the smaller size of the ships, they have smaller decks, and the cabin and living space is limited. In some ports, several ships may be tied up alongside each other, hence the view may be restricted and noise pollution may occur. Please consider that on the one hand your ship is your hotel, on the other hand, however, it is an engine that has to run constantly – even at night time, therefore a certain level of noise is inevitable.

For more information, please refer to the on-board ABC.

Medical care

During the cruise, there will be no medical assistance on board. In case of an emergency, the crew will be at your disposal to help you to find a local pharmacy or doctor. Please remember to bring an adequate supply of any prescription medications. In any case, we strongly recommend that you take out a travel health insurance with repatriation cover.

Welcoming on board and first briefing

During the welcoming on the first evening, you will learn everything you need to know about life on board and about your first cycle tour on the following day. Afterwards, the captain and the tour manager will invite you for a welcome cocktail. For the exact meeting point and time, please refer to the information board in the entrance area.

Payment on board

With each drink purchased on board, you receive a receipt, which you have to affix with your signature. The amount will be charged to your shipboard account. Please settle the final invoice on the day of departure. The shipboard currency is Euro. The following forms of payment are accepted on board: Cash (Euro), Visa-Eurocard and Master Card. Payments with EC or ATM card are not possible.

Hairdryer

Each cabin is equipped with a hairdryer.

Cabin cleaning

Cabins are cleaned daily; fresh towels on demand.

All rooms are equipped with air conditioning. Please note the air conditioning in your room is working properly only if all doors and windows are closed.

Gratuities

In accordance with the international practice on river cruises, gratuities are collected at the end of the cruise for all crew members, tour manager included. This arrangement allows to distribute the gratuities equally among all employees; this way, also the ones who work in the background without direct passenger contact can benefit from this acknowledgement. As a matter of course, it is up to you how much tip you want to give. The recommended daily amount is 4.00 – 5.00 € per person.

TV

The ship features a satellite TV system, thus for most part of the journey the reception is guaranteed. When passing bridges and staying in locks, and on certain sections, programming may temporarily be unavailable. We apologise for any inconvenience.

Day 1: Arrival in Rotterdam, Boat Tour Rotterdam – Dordrecht

Individual arrival in Rotterdam. Embarkation at about 04:00pm. You may have some time left to see Rotterdam's stunning Market Hall. The Dutch refer to it as their version of the „Sistine Chapel“. At 06:00pm sail to Holland's oldest town, Dordrecht, impressively located on an island between three wide rivers.

Day 2: Dordrecht – Willemstad – Hellevoetsluis, Cycle Tour, approx. 45 km

In the morning, set sail for Willemstad, a small fortified town

dating from the 17th/18th century, which is well worth visiting. Here start for your first cycle tour. Cross the inland waters of Haringvliet over the Volkerakdam, and cycle through fields and past storybook villages like Zwartsluis and Goudswaard to the popular water sports centre of Hellevoetsluis.

Day 3: Hellevoetsluis – Bruinisse, Cycle Tour approx. 45 km

With fine weather, it is worth to take a detour to the bathing beach of Rockanje, a wide fine-sandy beach with marvellous dunes, before starting the bike tour. Crossing the Haringvliet again, you pass through small villages like Stellendam with the mill Korenlust, the small water sport village of Herkingen and, continuing along the Grevelingendam, you reach the mussel village of Bruinisse.

Day 4: Bruinisse – Middelburg – Vlissingen, Cycle Tour approx. 60 km

Today cycle to the small town of Zierikzee, which is among the 10 most beautiful Dutch national heritage towns. The „fat tower“ rises high above the town. The top of the tower offers marvellous views over the town, the harbour and the island. Continue your tour crossing the Zeeland Bridge to Middelburg, the capital of the province of Zeeland. Once the second most important city in the Netherlands after Amsterdam, Middleburg is a town full of history. Numerous shops and cafes are waiting to be discovered. You proceed to Vlissingen, just a few kilometers away where your ship moors overnight.

Day 5: Boat Tour Vlissingen – Veere, Cycle Tour Vlissingen – Neeltje Jans – Veere, approx. 35 – 50 km

Today you can choose between three different routes, for example the former working island Neeltje Jans, which was created by rising a sand flat to facilitate the construction of the Eastern Scheldt storm surge barrier, the most impressive construction of the Delta Works. You will have the possibility not only to marvel at the locks from up close but also from the inside. Afterwards, continue the cycle tour to Veere, a beautiful holiday seaside town, where once deeply loaded Scottish ships landed.

Day 6: Round Trip Veere / Bout tour Veere – Dordrecht, Cycle Tour approx. 40 km

Today you have another opportunity to enjoy the picturesque, typically Dutch landscape on the Peninsula Walcheren around the lively tourist towns of Veere and Middelburg. Nowhere in the Netherlands does the sun shine as often and long as on Walcheren. Alternatively, you can do one of yesterday's cycling tours.

Day 7: Dordrecht – Rotterdam, Cycle Tour approx. 40 km

On your last stretch, explore the best-known windmills in the Netherlands at Kinderdijk. The 19 windmills, which date back to the 18th century, are beautifully preserved and are listed as UNESCO World Heritage Site. The windmills are well worth a visit! Follow the route along the Maas River up to Rotterdam, one of the largest ports in the world.

Day 8: Departure from Rotterdam

Disembarkation until 09:00 am and individual journey home.

!Tickets for the ferries can ONLY be purchased on board with EC and credit card!

Important Note:

In case of high or low water, the cruise company reserves the right to operate part of the itinerary by motor coach and/ or to cancel the journey in an extreme case on short notice. No legal right shall arise in either situation.

The same applies for repair or maintenance works on locks and bridges ordered by river and other local authorities with little or no advance notice, or for engine or propulsion engine damage of no fault of our own.

Scheduled arrival times are subject to average waiting times at locks and normal water levels. We will make reasonable effort to respect the scheduled itinerary, however, river traffic or other unpredictable events are outside our control. Delays rarely occur but, unfortunately, are sometimes unavoidable. Please take any possible delays into account when planning your return journey regarding transfers or a change of trains on the last day of your holiday.

Please be aware that your ship is not only your hotel but also an engine, working with engine power also during the night. Especially passing locks and bridges may cause a certain level of noise. If you are sensitive to noise, please bring earplugs.

The passing through locks may cause unpleasant noise but this is inevitable.
