Day 5: Szczecin – Wolgast, day of rest on board

Today you will spend all day on board.

After one last narrow passage, the boat will arrive in the expansive waters of the Bay of Szczecin (Oder Lagoon). After the crossing, you will reach Wolgast, the „Gateway to Usedom Island". The Medieval historic centre with its town hall and the Church of St. Petri are interesting sights in any case.

Day 6: Wolgast – Peenemünde – Lauterbach, bike tour, about 15 km

In the morning you will bike through Zecherin and Karlshagen Harbour to Peenemünde (tip: historical/technical museum in the former power plant). When the weather is fine you may feel like cycling the “beach-route” via Trassenheide and Zinnowitz alternatively. In Peenemünde you will get back on board and at about 6 pm you sail to Lauterbach in the southeast of Rügen Island (arrival around 9 pm).

Day 7: Lauterbach – Stralsund, bike tour, about 48 km

Today you should not miss a visit to the nearby city of Putbus (about 2 km) with its well-known circus. Classical buildings line this circular “square”, where all the streets converge.

Your bike tour on this day will take you through Putbus, Garz, Groß Schoritz, the birthplace of Ernst Moritz Arndt, Poseritz and Gustow with its well-known village church over the Rügen Dam to Stralsund, where the boat will meet you. As a city with an important past, a stroll through the historic centre, which is situated on an island, will take you past numerous exceptional sights.

Day 8: Departure from Stralsund

After breakfast, disembarkation until 9:00 am and individual journey home.

Day 1: Arrival in Berlin

Individual arrival in Berlin. Embarkation at 4:00 pm. Berlin is always worth a trip. Maybe you'll have some time and like to take a stroll on the Kurfürstendamm, take a walk through the Nicolai Quarter on Spree Island or take gander at the Brandenburg Gate. The possibilities of Berlin are almost endless.

Day 2: Berlin – Oranienburg – Eberswalde, bike tour, about 38 km

The well-marked bike route meanders northward through the Ruppiner See area to Oranienburg. Sightseeing tip: the Baroque castle with its park, museum and orangery. This is your embarkation point, after which you will sail to Eberswalde. In the heart of the city, in the Finow Canal, is the oldest working lock in Germany, which has been a technical monument since 1978.

Day 3: Eberswalde – Hohensaaten – Schwedt, bike tour, about 32 - 64 km

First you will bike through the splendid landscape on the Treidel bike route along the Finow Canal, passing by forests, glades and small hills in the direction of Niederfinow (boat lift – a tour is always an option) to Hohensaaten. There you will get back on board and sail to Schwedt or if you still like to cycle you go by bike (add. 32 km).

Day 4: Schwedt – Mescherin – Szczecin, bike tour, about 30 km

Today you will bike through a part of a unique, cross-border nature reserve, the “Lower Oder Valley National Park”, then on to
