Take the opportunity to enjoy a relaxed stroll through the city – perhaps visit the cathedral, walk along the Regnitz River, or try your first Franconian beer in one of the traditional taverns. Welcome to Bamberg!

### 2<sup>nd</sup> Day: Bamberg – Erlangen, Cycle tour approx. 45 km

Your first cycling stage starts in Bamberg, a UNESCO World Heritage Site – a true gem of Franconia, full of medieval charm, narrow lanes and its famous old town. You'll cycle through the meadow landscapes of the Regnitz Valley, stop in Forchheim – a small and welcoming Franconian town – and finally reach Erlangen.

### 3<sup>rd</sup> Day: Erlangen – Nuremberg, Cycle tour approx. 30 km

Today's tour takes you through flat landscapes and sandy pine forests, past river meadows shaded by tall oaks entwined with wild hops. Passing Fürth – a detour into the town is well worth it – you follow the Regnitz-Cycle-Path past the historic "Kettensteg" and "Henkersteg" bridges to the end of today's stage: Nuremberg. A fascinating mix of medieval charm, impressive architecture, and vibrant urban culture awaits you.

### 4<sup>th</sup> Day: Nuremberg – Hilpoltstein, Cycle tour approx. 40 km

The historic Main-Danube Canal, built under King Ludwig I and known as the Ludwig Canal, will be your constant companion today. It is one of the oldest canals in the world, offering beautiful panoramas and featuring 101 locks. Towards the end of your ride, you enter the Rothsee Nature Park and reach Hilpoltstein, right at the gateway to the Franconian Lake District.

### 5<sup>th</sup> Day: Hilpoltstein – Beilngries, Cycle tour approx. 40 km

This stage takes you through one of Bavaria's most scenic landscapes – the Altmühl Valley. You start in Hilpoltstein and follow the well-marked Altmühl-Valley-Cycle-Path, riding alongside the gently winding Main-Danube Canal. Lush meadows, rugged cliffs, and historic locks line your route - a relaxed journey through nature and history. Beilngries, a charming old town with medieval flair is the perfect ending to a wonderful day of cycling.

### 6<sup>th</sup> Day: Beilngries – Riedenburg, Cycle tour approx. 30 km

The most beautiful stretch of the Altmühl Valley lies ahead! Along the way, numerous information panels provide insights into the region's history and the unique geology of the valley. There are plenty of opportunities to take a coffee break or simply enjoy the peace and quiet of nature.

Today's destination is the charming town of Riedenburg, known as the "Pearl of the Altmühl Valley." Surrounded by castle ruins and forested hills, it's the perfect place to linger – a real insider tip for lovers of nature and culture alike.

### 7<sup>th</sup> Day: Riedenburg – Regensburg, Cycle tour approx. 55 km

Today's route once again leads you through peaceful landscapes and past small villages. A highlight of the day is Kelheim, where the Altmühl meets the Danube. High above the town stands the impressive Hall of Liberation – a striking monument built under King Ludwig I. After a short climb, you'll be rewarded with wide views over the river landscape. Then you follow the Danube to magnificent Regensburg – one of Germany's oldest cities and a UNESCO World Heritage Site. Look forward to a destination rich in history, impressive architecture, and authentic Bavarian character.
